MEMORANDUM FOR: General Cabell

SUBJECT : Project [REDACTED] (Renewal)

The following comments regarding Project [REDACTED] are submitted in accordance with your request:

a. I note throughout the Project that "CIA will probably be requested to contribute" etc. I would think it would be better to submit the Project after such a request had actually been made. However, if the request has been made, which may be the case, or, if we have strong enough reason to believe that it will be made, I see no objection to approving the Project.

b. [REDACTED]

c. The Project requests approval for \$125,000 for the period 1 December 1953 through 31 November 1954. I have discussed this with [REDACTED] office which, on behalf of DD/P, estimates that \$40,000 will be used in Fiscal Year 1954 and \$85,000 in Fiscal Year 1955. Accordingly, I have indicated this in connection with your approval. These amounts, of course, can be adjusted later if appropriate, but every effort should be made to obligate as much of the money as possible in Fiscal Year 1954 and I have emphasized this to [REDACTED] office.
